

1995 - Peter as a puppy

My beloved, faithful Shih Tzu, Peter, is no longer with us. He brought such joy to my life in his 17 years that in his memory, I'd like to share with others. So . . .

In his honor, I have established Peter's Fund

The Fund will help pay for critical veterinary care for pets whose owners simply can't afford it. I hope to help others experience the joy pets bring for many years.

2012 - Peter on Halloween

I invite you to be among the first donors to this new Fund. Your gift of \$10, \$20, \$50 or more will not only help lengthen precious pets' lives, but also improve their overall quality of life. Thanks so much for your gift in honor of Peter.
